As a recent graduate with a strong academic background in computer science, I'm embarking on my journey as an aspiring Software Engineer. My passion for technology and coding drives me to learn and grow in this ever-evolving field. I'm excited to apply my knowledge to real-world projects and make a positive impact in the tech industry.

Experience

Pie Infocom Pvt.Ltd 2021-11-05 - 2021-12-20
Java Developer Intern

In a span of 45 days, I gained practical expertise in Java programming, effectively utilized my training knowledge to complete a project, provided valuable recommendations for problem-solving, and excelled in the field of Java development.

Education

Sinhgad Institute of Technology & Science 2019 - 2023
Computer Engineering BE
9.19/10

S. S. & L. S. Patkar College of Arts & Science, and V. P. Varde College of Commerce & Economics. 2017 - 2019
79.38/100 HSC

St. Xavier's High School 2017
90.20/100 SSC

Projects

Smart Irrigation and Worm Detection 2022-07-15 - 2023-05-30
Description:

Optimize water usage in agriculture while reducing waste through smart irrigation. Minimize pesticide usage and its negative effects through effective management. Detect and prevent crop damage by identifying worms with real-time camera technology. Contribute to a more sustainable and efficient agriculture system to meet rising food demand.

Online Cosmetic Store 2021-11-05 - 2022-12-20
Description:

Enable online booking of cosmetic products through user registration and login. Retrieve data from databases efficiently using user-friendly interfaces. Streamline registration procedures. Provide personalized information retrieval and updates upon login.

Student Management System 2020-12-15 - 2021-01-01
Description:

Efficiently manages profiles, courses, logins, exams, and fees. Exclusive administrator access ensures security. Enhances student profile management efficiency.
